How can I access my Video Assessment

Video Interview Support - Nam - 2014-03-13 - 0 Comments - in Getting started and tips

To access your video assessment please use the link provided in your invitation e-mail or reminder emails. If you do not have this e-mail anymore please get in touch with us using the contact form.

Once you click on the link, there are some videos explaining how a video assessment works, and an opportunity to take a practice question before you have to record your 'real' assessment questions.
