How can I access my Video Assessment

Video Interview Support - Liz - 2016-09-09 - [Getting started and tips](#)

To access your video assessment please use the link provided in your invitation e-mail or reminder emails. If you do not have this e-mail anymore please get in touch with us using the contact form.

Once you click on the link, there are some videos explaining how a video assessment works, and an opportunity to take a practice question before you have to record your 'real' assessment questions.
